Dear Colleagues,

Meaningful Day Services is a leading provider of recreational therapy under the Medicaid waivers in Indiana. We currently employ 28 recreational therapists across the state. We were one of the first providers of recreational therapy under the waivers in Indiana and have a strong reputation for quality and individualized services.

We are currently seeking Recreational Therapists that will effectively work within our company culture, which is described as being family-friendly, supportive, transparent, and treats employees as we would want employees to treat our clients. We are seeking therapists that are good advocates for their clients, solution-oriented, honest and passionate. Meaningful Day Services provides an opportunity for our employees to gain experience in a high energy, caring, supportive, technology-enhanced work environment, while making a difference in the lives of others.

Please share the attached job posting with graduating students and fellow colleagues. We offer a comprehensive benefits package, supervision, and ongoing training.

We have full time openings in Fort Wayne, Indianapolis, and Jeffersonville, Indiana. Individuals interested in applying should submit their resume and application to: [recreationaltherapy@meaningfuldays.net](mailto:recreationaltherapy@meaningfuldays.net)

Sincerely,

Mandy McQueeney, CTRS  
Recreational Therapy Director  
Meaningful Day Services
