**NEW WAVE WELLNESS** is owned & operated by **ERICA PEARSON** and **MELISSA FISHER**.

Erica and Melissa have over **35** years of combined experience in Medicaid waiver services, serving people with developmental disabilities.

Erica and Melissa are passionate about providing quality individualized services to those in bed as well as families.

It is New Wave's belief that every individual deserves to live a full and meaningful life, which is the fundamental reason for providing Medicaid Waiver and Counseling services.

The cycle of a wave refreshes, rejuvenates, and creates a force leaving all it touches changed. And much like the waves of the ocean, New Wave Wellness (NWW) is a care network that impacts lives in a way that forever moves them forward. We know that people matter. And our approach focuses on person-centered versus patient-centered, which enables authentic interaction, relationships, and understanding to build skills for progress and improvement.

Backed by professionals with many years of diverse and dedicated mental health and wellness experience, our individualized care programs create a plan for you and your situation. We meet you and support you in taking the next steps to build sustainable individualized services to help you reach your hopes for the days ahead.

We serve clients throughout the state of Indiana and have consultants located around the state.
