DEPARTMENT OF STATE HOSPITALS
ATASCADERO
SAFETY - TREATMENT - RESPONSIBILITY

Dear Recreation Therapist Programs,

I would like to inform you and your students of the wonderful career opportunities at the California **Department of State Hospitals-Atascadero (DSH-A)**. We provide state-of-the-science psychiatric recovery services for our patients in a forensic setting. I have also included some flyers which outline some of the amenities and can be displayed. Please contact us for guidance with our employment process and other inquiries. Tours of the facility can also be arranged. The official State classification title is **Rehabilitation Therapist, State Facilities (Recreation-Safety)**. Thank you and all assistance is greatly appreciated.

DSH-A has exciting career opportunities in forensic mental health and recovery.

- Atascadero is located midway between Los Angeles and San Francisco on California's beautiful Central Coast. Close-by to the elegant university town of San Luis Obispo.
- The region encompasses a 100 miles of pristine coastline, a rapidly growing wine industry, agricultural lands, ranches, and a carefully preserved rural quality combined with cultural sophistication.
- Generous benefit package including health, vision, dental, paid vacation and holidays, life insurance, retirement investment options
- Competitive starting salary of \$5,571-\$6,560 per month
