

FAQ'S

When does camp start and end?

For weekend respites, campers arrive on Friday evening and depart Sunday afternoon. During that time, campers and staff will stay in the cabin, go to activities, and get to know each other. During a day camp program, campers arrive around 8:00am and depart around 5:00pm every day.

What's nearby to do during time off?

Camp High Hopes is about a ten minute drive from downtown Sioux City, which has numerous restaurants, movie theatres, and shops. Sioux City is also home to a variety of activities such as outdoor concerts, farmer's markets, and festivals.

What are the campers like?

We believe we have the greatest campers in the world! Campers range in ability from mild neurological impairment to significant physical and mental disabilities that require care in all aspects of daily living. You will work with people with Down's Syndrome, Cerebral Palsy, Autism and Spina Bifida, among others.

What are the benefits of working at Camp High Hopes?

Along with compensation, paid training, and room and board (depending on position), staff receive new challenges, and adventures, along with having the chance to make a real difference in the lives of people with disabilities.
