

# N A M Y W TEEN LEADERSHIP PROGRAM

Wyman enables teens from economically challenged circumstances to lead successful lives and build strong communities. The Wyman Teen Leadership Program (TLP) uses a progressive year-round approach over six years to support healthy teen development, leadership skills, and post-secondary access and persistence. The goals of TLP are to help youth from the St. Louis, MO area be productive in school and work, connect to community and family, and successfully navigate diverse environments. The program begins the summer before teens' ninth grade year and provides consistent support and opportunities through their second year of post-secondary education. [Learn more at http://wymancer.org/tlp](http://wymancer.org/tlp).

## Summer Job Opportunities: College & Career Readiness
